WEDDING

BARNETT — RELLINGER

A wedding of much interest, uniting two pioneer families, was solemnized in Sacred Heart Church Wednesday at 10.30 a.m. when Mary Leah, eldest daughter of Mr. and Mrs. M. A. Rellinger, became the bride of James Barnett, son of the late Mr. and Mrs. A. Barnett, all of Strathmore. Rev. Father Gibbons officiating assisted by Father Fitzpatrick of High River and Father Lasard of Cochrane.

Given in marriage by her father, the bride looked very winsome in a street-length dress of Delph Blue silk crepe with hat of cerise with blue feather trim. She wore a corsage of American Beauty Roses.

Mrs. Wm. Groux, Matron of honor, chose for the occasion, a gown of deep violet with matching accessories. She wore a corsage of Johanna Hill rose buds.

Mr. W. Groux was best man. The wedding music was played by Miss Geraldine Van Tighem.

During the signing of the register Father Killen of Rockyford and Miss P. Hermansen sang in very finished manner the Song, "To This Day".

They also sang with the choir the several hymns for the occasion.

Following the ceremony a reception for about sixty guests was held at the home of the bride's parents, Mr. and Mrs. Rellinger receiving with the bridal couple.

A choice wedding breakfast was served at a table prettily decorated in pink and white with pink carnations and centred with a large onion wedding cake flanked by tall pink tapers.

The toast to the bride was happily proposed by Father Gibbons, the groom responding in like manner.

Other toasts proposed were to the Family by Mr. Angus McDonald, To the Community, Mr. S. Suter, Father Fitzpatrick was Master of ceremonies.

Mrs. Rellinger wore for her daughter's wedding a very becoming silk crepe dress in deep Fuschia shade and a corsage of Tallisman roses.

The presents were numerous and beautiful testifying to the esteem in which both Mr. and Mrs. Barnett are held.

Mr. and Mrs. Rellinger held Open House throughout the day when a large number of guests called to extend good wishes.

Later the bridal couple left for a honeymoon at the Coast, the bride travelling in a Rosewood brown dress with topcoat of gold with squirrel trim and hat in gold shade.

On their return they will reside on the groom's farm east of Strathmore.

Very best wishes for a long and happy future are extended Mr. and Mrs. Barnett by a host of friends.

R. C. A. F. AWARDS

Congratulations to P.O. R. A. Torgrimson of Cheadle, Alberta, and to P.O. F. E. Michael of Gleichen, Alberta, who have each been awarded the D. F. C. Medal granted for fortitude, courage and devotion to duty displayed in numerous operations against the enemy.

SUCCESSFUL BOX SOCIAL

The United Church Basement was filled to capacity Monday evening when the Box Social, Puppet Show and other interesting items of the program, were given. Dull care was cast aside and there were no "gloomy moments" from the singing of O. Canada to the drinking of the last cup of coffee.

Rev. Hunt presided and welcomed the large audience.

First item on the program was the showing of several slides of beautiful scenes in the Rockies and a party of Alpiners making the ascents to the peaks. The coloring of these was lovely and the lantern capably handled by Mr. Anson Chase.

The next feature was the intriguing Puppet Show and Magic Carpet, well put on by the pupils of Arlenode School, under the supervision of their teacher, Miss Awcock. Those taking part and the role they played were—

The Pedlar, Donald Wise; the Magician (Berger), Donald Joel; Fatima (The Princess), Dorothy Petersen; All (the Oil Merchant), Mervin Petersen; Genie of the Mat, Helen Joel; the Headman, Norma Petersen; the Sultan, Mary Melnechuck; the Minister, Emmet Wise.

The scenery of the "back curtain" was appropriately painted carrying out the atmosphere of the Fairy tale of "The Magic Mat". The costumes of the puppets were cleverly contrived. The audience watched with closest interest throughout.

Between the scenes Donald Wise played two organ solos very ably, and he and his sister Edna Mae Wise rendered two duets.

An amusing original chorus given by the Improvement Board was next. This was followed by a Lesson in Music with Dr. Griffin the Conductor and brought forth peals of laughter from the audience and chorus alike.

Another very funny Playlet arranged by Miss Sanders of the Namaka High School kept the audience highly amused. The two characters, a farmer and his helper were well represented by Edward Fawkes and Jacob Hansen. The boys carried their parts well and spoke their words in good clear voice.

The singing of God Save the King concluded this part of the program.

Then followed the Auction Sale of boxes by Auctioneer A. D. Shrimpton, who with his own witty remarks and clever salesmanship, kept the bids going higher and higher.

The boxes too, were there in large numbers, attractively decorated and cleverly designed. Boxes of Red and White, Red, White and Blue, Blue and Gold, a miniature keg (just think), market baskets etc. and centering all was a clever replica of the Church Building.

Other auctioneers carrying on later were Messrs. Homer Nelson, Leonard Hilton and Norman Scheer and each enthusiastically praised their wares and kept the bids mounting.

A merry social time was spent when the contents of the various boxes were taken.

The Treasury of the Improvement Committee is enriched by about \$30.

M. D. BOW VALLEY COUNCIL MEETING NOTES

The eleventh meeting of the Council was held Tuesday, November 7th. Present were Reeve James Harwood, Deputy Reeve, J. A. McArthur and Councilors J. M. Wheatley, E. Jackson and C. H. Cowell.

On motion of J. M. Wheatley the minutes of previous meeting were read and approved.

Dr. Talbot, Provincial Veterinarian, reported at Strathmore on the 19th day of October and pronounced that the dead animals he examined died from Blackleg. He wrote again on the 24th of Oct. and mentioned there is a possibility that there is both Hemorrhagic Septicemia and Blackleg in the district. The question of treatment for both diseases at the same time as recommended over the radio, was submitted to Dr. Talbot for his opinion.

Moved by J. A. McArthur that our gravel pit lands, namely L. S. 3 & 4 of 1-23-21-4th. be leased to Mrs. Julia Gauthier of Cluny for the year 1945 for the consideration of her supervising the taking of gravel by private parties, keeping the weeds down and keeping the fences in good repair, was carried.

At the Tax Sale one parcel of land was sold to Claude M. Mackie for \$1800.

A parcel of land south of the Canal was sold to Alex Porteous on the condition that no road would be necessary as he already had access to this particular piece, on this basis, the Council accepted Mr. Porteous' offer.

At the Court of Revision one complaint from Mr. N. A. Riddell was heard and after hearing the case, Council reduced the assessment to \$1500.

A By-law concerning the sale of 5 lots to G. C. Phillips of Chancellor at \$5, a lot was passed, also for sale of 2 lots to J. M. Wheatley was passed. The Council adjourned at 3.30 p.m.

STRATHMORE SHEEP FARM NOW BECOMES PURE-BRED HEREFORD FARM

The C. P. R. Sheep Farm, where so many prize sheep have been raised under the capable care of "Joek" Stephens, has now been purchased by Mr. Seitz of Medicine Hat, who will take over in the near future.

Mr. Seitz plans to bring a herd of about 100 pure-bred Hereford cattle.

He has purchased the farm comprising about 563 acres and the house and buildings thereon. He and his wife will come to live in Strathmore.

Their two sons will carry on other farms, one at Manterberies and one near Medicine Hat.

Mr. and Mrs. Stephens and four children left Tuesday night on route to Vermilion, where he will be employed with the Alberta Government. Ella Stephens will remain in Calgary.

WEDDING

CROXY ROUGEAN

A quiet wedding was solemnized at the home of Mr. and Mrs. H. Rougean on Saturday, November 11th, when Youlanda Marie, youngest daughter of Mr. and Mrs. H. Rougean, became the bride of Robert Milton, second son of Mr. and Mrs. H. C. Croxy, of

VICTORY LOANS IN STRATHMORE UNIT

The following figures show the amount subscribed in the Seven Victory Loan Campaigns which have taken place in the Strathmore Unit during the past three years.

No.	Date	Objective	Amount %
1	June 41	\$52,000	\$127,000 245%
2	March 42	\$68,000	\$119,000 175%
3	Nov. 42	\$86,000	\$120,000 143%
4	May 43	\$151,000	\$185,200 123%
5	Nov. 43	\$187,000	\$224,400 120%
6	May 44	\$187,000	\$363,000 193%
7	Nov. 44	\$300,000	\$390,300 130%
			\$1,531,900
			Average \$218.80

It will be observed, that since the 2nd. Loan in March 1942, that there has been a satisfactory increase with each Loan, the 7th. being three times

the amount taken in during the 1st. The fact that 1377 Bonds were sold in the last drive (the highest amount among the Rural Units in the Province) shows that 65% of the adult population in the Strathmore Unit bought Bonds. This is a good coverage and reflects great credit on the canvassers who took part. It also indicates there is still a field not yet reached.

What was particularly pleasing to the Committee was the number of Bonds sold to the young people during the past Loan. It shows they are 100% back of the war effort in support of our boys at the Front and also a healthy sign of thrift. The fact that over 1½ million dollars has been invested in this Unit during the past 3 years augurs well for the Post-War period lying ahead of us.

Marriage Announced

Mr. and Mrs. S. C. Sorensen announce the marriage of their only daughter Elsie Digmann to F.O. Raymond Bower, elder son of Mr. S. Bower and the late Mrs. Bower of Strathmore. The marriage took place in Central United Church, Calgary, Friday, November 17th, Rev. C. A. Lawson officiating.

The happy couple left for a honeymoon in Cranbrook before returning to spend the remainder of their leave in Strathmore.

CLUNY

—By A. E. C.—

The regular meeting of the W. I. was held at the home of Mrs. L. Haymond with fourteen members and 3 visitors present. Roll Call was Current Events. The W. I. recently served lunch at the D. Nelson sale and the amount of \$28.75 was cleared and turned over to the Red Cross. More articles were turned in for the next ditty bag. Verses read by Mrs. Agate and Mrs. Bailey were very appropriate being, "A Prayer for Victory," written by a Canadian soldier and "The Soldier's Version of the 23rd Psalm" by Capt. Rogers of the Merchant Marine. The entertainment committee, Mrs. Beaudin and Mrs. Nobert, prepared a bird contest, which was won by Mrs. L. Haymond.

Mrs. D. Nelson gave a very interesting paper, "The Second Mile," which was very much appreciated.

Ray Fairbourn of the R. C. N. V. R. left on Thursday for Halifax after spending 2 weeks with his parents.

A meeting was held at the home of Mrs. W. Somerville on Monday, Nov. 20th, to reorganize the Brownies, with Mrs. Frank Fraser as Brown Owl and Miss Gwen Clark as Tawny Owl with the first meeting Wednesday, Nov. 29.

Mr. and Mrs. A. Reilly were Cluny visitors over the weekend. Ally has been moved to Eyremore and Mrs. Reilly and son Eddy are spending some time in Cluny.

Mr. and Mrs. B. F. Graham were Calgary visitors on Monday.

Mrs. Steve Williams and daughter Francis (Mrs. F. Fraser) were visitors to Calgary on Tuesday.

Mr. and Mrs. G. Beaudin spent a couple of days in Calgary at the weekend.

NIGHTINGALE

—By Mrs. F. H.—

Floyd Joel arrived on Monday's train from Port George. He will spend a week's leave at home.

Mrs. Dick Jensen returned from her visit to Entwistle and reports an enjoyable visit but did not have the nice weather we enjoyed here.

Congratulations are extended to Clarence Putnam, who recently received his Wings at Vulcan and is now a Flying Officer. F. O. Putnam is enjoying a leave at home.

The Women's Institute held their regular meeting at the Hall last Friday. Current events were given as Roll Call. Mrs. Holt read a very in-

teresting item from an English paper about a visit to a monastery of the Immaculate Conception in India. It told of excellent work done there by the nuns and the beautiful embroidery done by the inmates who are from the unfortunate classes. This work is sold to meet the expenses of the institution. Many handmade articles were turned in for the bazaar this week. There were some nicely stuffed animal toys that will be sold. It was decided at the meeting to buy tickets to help the swimming pool fund sponsored by the Lions Club of Strathmore. Also to make a donation to the Wood's Christian Home in Calgary. Everything is in order for the Bazaar and a pleasant evening for all. So come along and enjoy yourself. Mrs. Roy Voutier was hostess for the day and served a delicious tea. Next meeting will be at the home of Mrs. McIntosh December 1st.

A man was passing a public-house when a figure hurtled out of the door and landed in the gutter.

A small fellow picked himself up and said angrily to the passerby: "They think they can get away with that. I'll throw every one of them out! You stay here and count."

In went the little man.

A moment later a body landed in the gutter. "One," counted the passerby.

"No, it's me again," said the little man.

THE *fight* against V.D.
is a family affair . . .

A laughing couple, dodging showers of rice . . . fire-side . . . garden . . . chubby babies . . .

These are scenes we know and like, because they're part of our lives . . . because they spell happiness . . . contentment.

But we know that these things don't "just happen." They have to be worked for, lived for. Protected, too, because of ever-present dangers which may spoil them.

Veneral Disease is a spoiler. In a cold, relentless way it can kill infants, rob the home of its breadwinner, cripple, destroy. These are not mere possibilities. THEY HAPPEN . . . RIGHT HERE IN CANADA!

But, these things should never happen. They can be prevented.

Young men and women can safeguard their future happiness together by making *sure* before marriage that V.D. will not blight their plans. A medical examination, including a blood test for syphilis, is a protection no couple can afford to pass up.

The expectant mother, too, may know for sure that her baby will be all she dreamed of. Syphilis in the expectant mother rarely shows outward signs, and it is no respecter of persons. An early check-up by her doctor, including a blood test, is a most essential, yet simple, first step in protecting her baby's health.

Nor must the breadwinner neglect his part. The security of the home depends upon his ability to work regularly and efficiently. Unsuspected syphilis, striking in middle life, may make the head of the home unable to provide for his family. It is wise to KNOW FOR SURE in time. Industrial medical examinations should include a routine confidential blood test.

A blood test should not be looked upon as something unusual. It should be regarded for what it is . . . a normal safeguard of health, security and happiness.

BRITAIN NEEDS MORE LUMBER

HERE in Canada, going about our daily vocations, with our buildings untouched by the ravages of bombs and our trees and forests spared the devastation of war it does not enter into our comprehension in more than a dim way, to realize the urgent need that exists in countries that have been ravaged by the bombs or laid waste by resulting fires.

We must arouse and meet the need of these countries that are in desperate need of our timber and finished lumber.

Canada has pledged herself in the U. N. R. A. to take a large part in supplying the needs of various over-run countries.

And in Britain, who looks to our forests to supply her need in the crisis, we are not at present living up to our promised export of lumber.

An article on another page in this issue gives the facts.

Our Governments could establish a valuable industry for a large number of returned men by establishing **Tree Farms**. They are doing this on a large scale in the U. S. and we believe it would prove a practical and beneficial move in Canada.

These Tree Farmers across the border are not expecting to "harvest their trees" until about 2000 A. D. but that is not so many years ahead.

While depleting our forests to help the ravaged countries of Europe, let us guard against a "bare cupboard" here by planting forests for future needs.

The nurse entered the professor's room and said, softly, "It's a boy, sir." The absentminded professor looked up. "Well, what does he want?"

WOOD'S CHRISTIAN HOME

Dear Friends;

We have much to be grateful for this Christmas. If the tribulations of war are not completely over, at least it seems that they are slowly drawing to an end. Perhaps, during the year that lies ahead of us, the struggle will be concluded.

At the Wood's Christian Home, we are trying to raise and educate nearly one hundred boys and girls, who, for one reason or another, have no home of their own. In war and peace alike, this is the task we have undertaken and the task for which we ask your sympathy and help.

Your donation, be it small or large, is something more than an act of compassion. It is a useful contribution to the future welfare of our country. For we are trying — and we believe we have been successful in our efforts — to bring up these boys and girls so that they will be worthy citizens of Canada, honest, responsible and willing to do their share in the nation's work. May we count on your assistance in this useful cause? Any help you can give us will be deeply appreciated.

Thanking you, we are

Yours very sincerely,

WOOD'S CHRISTIAN HOMES

From Around And About

— By D. A. F. —

AS THESE WEEKS draw on, we are being reminded in a very painful manner by our leading houses of merchandise that there are only so many shopping days to Christmas. Father a sad prod, I always feel to the most beautiful of all the observances of our Christian world. Most of us feel quite keenly the strong commercial note that pervades the modern celebration of Christmas and would do something, if we could, to restore the sacredness that originally pervaded its observance. We would lay the blame for this lost radiance to the business interests and promoters of sales. But does the fault actually lie there? The following story might point out the basis of the trouble. In a certain religious supply house, a customer stood over the card counter. "I want," she said, "to see some Christmas cards." "Oh, you want religious Christmas cards?" asked the clerk wonderingly, for she was standing by the Christmas card counter. "No, no, no religious cards. I want something **REALLY** Christmasy!" The attitude of the public at large to Christmas, has, I contend, directed the policy of business firms in regard to the real meaning behind December 25th. The next time you feel tempted to blow off steam about the mercenary element in this important religious festival, take a few moments and see what your own attitude is and then start to criticize.

Speaking of Christmas, here is a good one from across the border. It seems that the families of the Church of the Epiphany, Glenburn, Pa., decided to send Christmas parcels to men and women from the parish who were overseas. So they hit on the novel idea of gathering in the parish hall and making individual phonograph records to send in the parcels. They came with mouthorgans, poems, dogs, plus hamburger to make them bark. At the end of each record the Rector added his word of greeting. Only one mistake was made in the whole proceeding and it was too late when it was realized that in making up parcels to WAVES and WACS the ten-cent cigar was included as it was for the rain. Perhaps it would not be going too far to suggest that this parish is going to have quite a post-war re-education problem.

On the serious side, we read of a chaplain reporting of his first communion service on Saipan. "The service," he reports, "was held under shellfire so intense it jarred the vessels on the improvised altar." He also goes on to say that he holds as many as nine services on Sunday.

President Roosevelt makes the following proclamation: "To the end that we may bear more earnest witness to

DON'T PLAY TAG WITH "JACK FROST"

It's a losing proposition trying to beat the Weather Man at his own game. Remember—you can kid yourself that no harm is done by waiting until your gears are stiff from "frozen" grease... or your oil takes several minutes to flow freely... or your radiator spurts forth those tell-tale streams of steam—but kidding yourself certainly won't save your pocket from repair bills later.

C.P.R. Plans for Future

B. J. Humphrey

E. D. Cotterell

LONG-RANGE planning for the transition of the Canadian Pacific Railway Company from a war to a peacetime basis was foreshadowed recently when D. C. Coleman, Chairman and President, announced the assignment of H. J. Humphrey, formerly Vice-President of the Company's Eastern Lines, to "special duties."

Mr. Humphrey's exceptionally wide experience, extensive public contacts and comprehensive knowledge will be devoted primarily to the solution of problems that will confront the Company in the period of transition from war to peace," Mr. Coleman said. Mr. Humphrey is now located at the Company's headquarters in Montreal.

He is succeeded as vice-president, Eastern Lines, by E. D. Cotterell, formerly general manager, Eastern Lines, who is promoted to vice-president, and general manager, with headquarters in Toronto. Both Mr. Humphrey and Mr. Cotterell report to W. M. Neal, C.B.E., Vice-President of the Company. The appointments became effective October 1.

These changes again bring into the spotlight two officials who have each made great contributions to the steady advancement of Canadian railroading and have devoted their entire lives to the development of this vital phase of Canadian life.

our gratitude to Almighty God," he said, "I suggest a nationwide reading of the Holy Scriptures during the period from Thanksgiving to Christmas. Let every man of every creed go to his own version of the Scriptures for a renewed and strengthening contact with those eternal truths and majestic principles which have inspired such a measure of true greatness. . ."

**FORMER STRATHMORE BOY,
BOBBY TONAK MEETS WITH SAD
ACCIDENT**

Mistaken for a pheasant by a hunt-
er, 10-year-old Robert Tonak, Bowness
has lost the sight of one eye as a re-
sult of being shot near his home Nov.
11th.

The hunter was Sgt. J. C. Sclanus,
R. C. A. F., No. 2 Wireless School,
who said he was walking along the
bank of the Bow River near Bowness
that morning, shooting ducks. Short-
ly before the accident he was sneak-
ing through brush on the river bank
in an attempt to close in on ducks
about 100 yards away from him, on
the river, when a pheasant shot up
about 25 yards from him. He did
not shoot, but when he saw an object
move in the same spot seconds later
he supposed it to be another pheasant
and fired.

Rushing to the spot he found a
small boy wounded about the face.

He immediately took him to the Ton-
nak home, nearby, and a neighbor
rushed the lad to hospital in Calgary.
In addition to puncturing the eye
pellets struck Bobby's face, but did
not seriously injure him there.

R. C. M. P., concluding their invest-
igation, termed the shooting "an ac-
cident." Sclanus said he was an ex-
perienced hunter, and had never be-
fore had a similar experience.

Bobby Tonak is the son of Mr. and
Mrs. Lee Tonak, formerly Kathleen
Wilkinson, and has often visited his
Grandmother in Strathmore. Their
many friends will keenly regret this
sad accident.

Billy, a younger brother, was drown-
ed several years ago.

"Look at the bunch of cows."

"Herd."

"Herd what?"

"Herd of cows."

"Sure, I've heard of cows."

"No, I mean a cowherd."

"I don't care if she did. I didn't
say anything I shouldn't have."

Mr. Claude Mackie has been called
on the Jury in Calgary for the Fall
assize opening Dec. 4th.

MR. AND MRS. T. NIELSEN
HONORED ON SILVER WEDDING
ANNIVERSARY

Wednesday, November 8th, was a special day in the lives of Mr. and Mrs. Thorvald Nielsen and family. On that day, in the Community Hall, everyone gathered to help them celebrate their 25th. Wedding Anniversary.

Mr. and Mrs. Jack Dick, Mr. and Mrs. Leslie Nielsen and Mr. and Mrs. Tuesen were family guests and although Sonny Nielsen, who is in the Air Force in France, could not be with us in person, he was with us in spirit. Mr. C. P. Dahl was the Chairman and helped to make the evening a success.

Our Mayor-elect, Mr. Mona Hansen, delivered an interesting speech on behalf of the Standard association and Mr. J. M. Wheelley voiced the feeling of the Chairmen towards the Nielsens, who used to live in that community. Mrs. Nels Hansen sang beautifully, "Home, Sweet Home" in the Danish language. Mrs. E. Envidsen also sang.

Rev. Jorgensen gave the blessing and a little later in the program mentioned the fact that he and Mrs. Nielsen were old friends from the United States.

Mr. Kennedy, accomplished pianist, rendered a selection beautifully.

Mr. Frank Kroon presented the "bride and groom" with a beautiful set of silver, complete with tea and coffee pots, sugar bowl, cream pitcher and silver tray.

After gazing in admiration at the beautiful gift, both the bride and groom expressed their heartfelt thanks.

After congratulations were over, the dishes were cleared and the floor was swept, and the guests crowded the floor till the evening was over.

The Danish Ladies Aid Bazaar was a huge success. All of the articles were sold within the first half hour of opening, but everyone came and had their coffee.

Standard is 125% over the top in the 7th. Victory Loan Campaign. The objective of \$80,000 was reached Thursday, November 9th and Standard is very proud of itself for such a good sale of bonds.

The Standard Young People's Society journeyed to Calgary Saturday afternoon to attend the annual Young People's Rally. Twenty-four in all were there to represent Standard. Meetings began Saturday night at 8:00 p.m. when Rev. Hugot of the Scarborough Lutheran Church, delivered the evening service.

11:00 a.m. Rev. Hansen gave the service. Sunday afternoon at 3:00 Rev. Jorgensen held a discussion with the Young People on, "What is My Group Planning to do in the Post-War World?" Then Sunday evening at 8:00 p.m. Rev. Jorgensen also preached the sermon. After a most delicious lunch, the society met down town and started their journey home. Some 3 hours later, all the weary kids were delivered at their respective homes, happy and sleepy.

Mr. and Mrs. Axel Larsen left Standard for Vancouver, where they plan to spend the winter.

Mr. Kenny Setter has arrived home after spending a short time working near Stettler.

Mr. Roy Enevoldsen was home from Edmonton where he has been working.

Given Southall spent a week-end at her parent's home in Standard.

Mr. Bobby Johnson, recently enlisted in the R. C. A. was home for his first week-end leave.

Mrs. Duncan Setter and family are home from Calgary and are both doing well.

Mr. F. D. Knowlton has returned from Swift Current where he has been since Saturday.

Remember the Ladies Bazaar Friday, November 24th.

Stanley Castella R. C. A. P. has left Standard and returned to his post.

The KIDS ARE CERTAINLY TOUGH ON SHOES!

1,300,000 MORE PAIRS
OF CHILDREN'S SHOES LAST YEAR

In the last twelve months Canadian manufacturers made for Canadian children about 25% more shoes than in 1939—a fine job—done by the organization and direction of production by this Board's Footwear Administration and the co-operation of manufacturers. And this was accomplished while they were making more essential type shoes for war workers, who wear out their shoes faster than they do in their normal employment.

Now you see it!

THE DISAPPEARING ACT OF RUBBER-SOLE SHOES

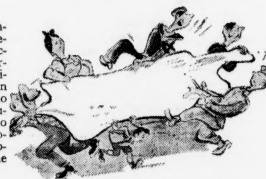

In normal times most young Canadians got at least one pair of rubber soled, canvas-top shoes a year. But natural rubber supplies fell into enemy hands, and the manufacture of rubber footwear was drastically curtailed. We're now using reclaimed and synthetic rubber in these shoes—there have been more of them this year and there will be more next year. Leather-soled shoes have had to be used in place of this rubber-soled footwear but shoes made of leather need more care than running shoes. When they don't get it they wear out more quickly; when they get wet they must be dried slowly, away from direct heat—and they should be greased also. It's not always a case of poor quality; it's poor care.

Now you don't!

LEATHER GOES TO WAR

You've got to have good strong leather for children's shoes, but the soldiers are taking most of ours for their boots. For these leathers, a substantial portion of the hides came from South America and other countries. War cut down these imports and there have been difficulties in getting enough of these and our own hides tanned into leather due to shortage of workers. The production of high grade leather shoes has, however, been maintained at the highest level consistent with the labour and materials available. While shoe factories have been working overtime, factory capacity for civilian shoes cannot be expanded in wartime and it's not possible to change plants from the manufacture of one type of shoe to another—for instance, from women's to children's. The processes, the machines and the lasts are different.

TURNING HIDES INTO SHOES

There are very large war uses of leather—for instance, in footwear. A soldier requires four pairs of shoes in the first year of his service and about three pairs per year thereafter. But, what is more important, he needs to have his shoes re-soled four or five times a year. His

shoes are of the highest quality leathers obtainable, leaving the other grades of leather for civilian use. Airmen need leather for jackets and mitts. War factories need leather for belting and farmers need leather for harness. Leather—the best leathers—has gone to war.

Some Increase in Farm Machinery is Expected—

EDMONTON . . . Although material shortages still restrict unlimited production of farm machinery, R. W. Gallup, Prices Board deputy administrator of farm and construction machinery told Northern Alberta Implement dealers, here, the output for 1945 can be estimated at 102 percent of the tonnage to Canadian farmers in 1944.

Mr. Gallup stated that lack of manpower and classes of materials such as sheet steel, as well as shortage of component parts, limits production of farm machinery. He said shortage of malleable castings brought about entirely by lack of labour in the foundries is causing one of the most serious bottlenecks in implement production today.

Following the end of war in Europe implement industry will face a period of conversion from war to peacetime

production, in producing new toolage and machine tools, he said.

Mr. Gallup stated that needs of Canadian farmers will have first consideration, but pointed out Canada's commitments to liberated countries of Europe and Empire countries. Rehabilitation of returned veterans will also have to be cared for, Mr. Gallup announced.

Used Car Dealer Loses License—

Shep Kaplan, Shep's Auto Sales Ltd., Edmonton, has lost his license to sell used cars, through action of the Wartime Prices and Trade Board taken against Kaplan following his sixth fine for breaking price ceiling regulations on used cars.

Kaplan paid almost \$1000, including the fine and refund to the purchaser, for selling a 1937 Ford Coupe over Prices Board ceiling after court trial on October 27th.

SHOWERS FOR BRIDE-ELECT

Miss Irene Harwood was the guest of honor Tuesday evening when Mrs. Doug Shrimpton, Misses Anne Forgie, Frances Jones, Betty and Irene Wilson were joint hostesses at a miscellaneous shower held in the Dining Room of the Koch Hotel.

Pink and white streamers and wedding bells created a very festive atmosphere. Two interesting contests were arranged in which the lucky winners were Mrs. Howard Galbraith and Mrs. Potter.

Dainty refreshments were served from an attractively appointed lace covered table with a central bouquet of Bronze Spray Mums flanked by cream colored candles. The bride's chair was also trimmed in pink and white.

Irene was presented with a large number of very beautiful gifts, for which she warmly expressed her thanks. A very happy evening was enjoyed by about thirty-five guests.

Mrs. George Koch, Mrs. Frank Wilson and Mrs. Issard were joint hostesses Wednesday evening when they entertained at a prettily arranged shower at the home of the former in honor of Miss Irene Harwood. Pink and white streamers and wedding bells made a very pretty setting for the jolly evening.

Several rounds of Bingo and other contests passed the hours quickly. Later a large number of beautiful gifts were brought in by Jean Tew and Doreen Issard and were much admired by all.

At midnight delicious refreshments were served and a merry hour over the coffee cups was enjoyed.

"For She's A Jolly Good Fellow" was heartily sung and au revoir said. About 25 guests were present.

PARTY FOR MRS. WEST

A number of friends of long standing called at the home of Mrs. West Friday afternoon last, to help her celebrate the passing of another milestone on the road of life.

A happy social hour of reminiscencing was spent, after which Mrs. T. J. Koch, the oldest acquaintance present, presented the honor guest with a huge bouquet of gorgeous baby mums, and expressed the best wishes of her many friends.

A delicious lunch was served, the centre of the table being adorned by a huge birthday cake, made by Mrs. M. West, with a candle for each year.

Donna and Norma Jean Anderson then sang very sweetly, "Happy Birth day to You".

A number of friends also dropped in the evening to reminisce with this worthy pioneer citizen.

Shower for Bride-Elect

Mrs. T. E. Wright and Mrs. McParland were joint hostesses at a delightfully arranged China shower at the home of the former Saturday evening in honor of Miss Mary Kellinger.

Three tables of bridge were arranged and some interesting games enjoyed. Prize winners were, high, Mrs. Sorenson, Consolation, Mrs. Belts and travelling prize, Mrs. Harley Wilson and Mrs. Percy Wright.

Following choice refreshments, a table laden with lovely pieces of china and other gifts was placed before the honor guest, and the gifts passed for all to see. Mary warmly expressed her thanks for the kind wishes and the gifts and the singing of "For She's a Jolly Good Fellow" concluded a very happy evening.

ada. It may strike some that this statement is far-fetched, but it is true.

It is said that waste paper enters into the manufacture or shipping of no less than 70,000 items of war material. Particularly it is needed to convert into wrapping paper and paper board for the packaging of ammunition, fuel, blood plasma and other vital supplies for the armed forces overseas. The minimum quota which has been set is about 20,000 tons a month, or about 1500 carloads. To gather this requires a great deal of methodical effort on the part of Canadian civilians. It requires that they be waste paper conscious in order that they may not waste this necessary commodity.

Recently it was announced that the collection of fats glass, metals and other waste commodities was no longer necessary, but it was emphasized
